Real Medical Science. Everyday Confidence.

Javad A. Sajan, MD
Triple Board Certified Plastic Surgeon

The Surgeon Behind the Science

Seattle plastic surgeon Dr. Javad Sajan kept hearing from patients who struggled to find high-quality skincare at an affordable price. With so many expensive options on the market, he believed there was a need for something more accessible.

That belief inspired realdrseattle®. Bringing the same care and attention to detail that guide his surgical practice to everyday skincare. Dr. Sajan created a collection that reflects his commitment to quality, with products priced at just \$10. Making a thoughtful skincare routine easier to afford.
